**MEMORANDUM FOR: Deputy Director (Support)**

**SUBJECT: H.R. 4158, A Bill to Revise and Codify  
Title 5, United States Code**

1. Attached are copies of Representative Emanuel Celler's bill (H.R. 4158) to revise and codify title 5 of the U.S. Code relating to the organization of the Federal Government and to its civilian officers and employees. This bill is similar to H.R. 8748 which was also introduced by Mr. Celler in the 86th Congress.

2. H.R. 8748 was prepared by the Civil Service Commission with the assistance of a number of other departments and agencies. CIA was represented by [ ] of the General Counsel's office. H.R. 8748 was reviewed by appropriate Agency offices including the Office of Personnel, the Office of the Comptroller, the Office of Logistics and this Office. On the basis of their comments, a proposed report was drafted and submitted to the Bureau of the Budget for clearance. This was done in response to a formal request from Mr. Celler as chairman of the House Judiciary Committee for this Agency's views. He has now requested a formal Agency report on H.R. 4158.

3. While H.R. 4158 is similar to the prior bill, some changes have been made. I believe the bill is of interest to all elements of the DD/S and, therefore, would appreciate your assistance in providing this Office with a coordinated DD/S position on it. [ ] will again be the point of contact in coordinating the Agency's views and this Office will be pleased to assist in any way possible.
